

Being protected while traveling

Daily prayers for being protected while traveling

Father, I confess Your Word over my travel plans and know that Your Word does not return to You void, but it accomplishes what You send it to do. I give You thanks for moving quickly to perform Your Word and fulfill its promises.

As I prepare to travel, I rejoice in the promises that Your Word holds for protection and safety of the righteous. Only You, Father, make me live in safety. I trust in You and dwell in Your protection. If I should face any problems or trouble, I will run to You, Lord, my strong tower and shelter in times of need. Believing in Your written Word, I speak peace, safety and success over my travel plans, in Jesus' name.

Because I am Your child, my path of travel is preserved, and angels keep charge over me and surround my means of transportation. I will proceed with my travel plans without fear of accidents, problems or any type of frustrations. I have Your peace within and will allow fear no place as I travel. You, Lord, deliver me from every type of evil and preserve me for Your Kingdom. I stand confident that my travel plans will not be disrupted or confused.

Thank You, Father, that in every situation I encounter You are there to protect me. No matter by what type of transportation I choose to travel, You have redeemed me and will protect me. The earth and all things on it are under Your command. You are my heavenly Father, and I am Your child. Through my faith in You, I have the power to tread on serpents and have power over all the enemy. No food or drink will harm me while I am away from home. No matter where I may go, I am protected.

Father, I give You the glory in this situation. Thank You that as I keep Your ways before me, I will be secure. Your mercy is upon me, and my travel will be safe. Not a hair on my head will perish.

Thank You, Father, for upholding me with Your right hand of righteousness. You are worthy, my Lord and God, to receive glory and honor and power, for You created all things, and by Your will they were created and have their being.

In Jesus' name I pray, amen.
